DIDN'T KNOW 'T WAS SO GOOD

Texas Lady Storekeeper, Who Carries Black-Draught in Stock, Has Found It "Best Liver Medicine" Obtainable.

Barker, Tex.—Relating her experience with Theodor's Black-Draught, Mrs. A. L. Promme, of this place, says: "I had for some time used . . . and other liver medicines, which would nauseate and make me feel bad. We have a store, and our customers called for Black-Draught so often I decided it must be good, so I thought I would try it myself.

"I began its use and found it just fitted my case. It neither gripped nor nauseated me, was an easy laxative and not hard to take.

"I had had headaches a great deal, no doubt from torpid liver. The Black-Draught would cure them. The best way I find to take Black-Draught is to take one or two good-sized doses until the liver begins to act, then taper the doses to just a pinch after meals.

"It will insure good digestion, do away with the gas or bad taste in the mouth and is without doubt the best liver medicine in the market. I have found it so. I can recommend it to my friends, for I believe it will do them good."
